NORTH DAKOTA FORAGES PERFORMANCE AGREEMENT between the Dep. of Plant Sciences and _____ (name of company) located at _____

Please enter the following information for alfalfa/camelina/red clover/other(s) for 2026 performance testing:

Entry	Name local seed supplier	Location		Evaluation charge†
		Fargo	Prosper	
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____

†The company agrees to supply 175-g seed sample/entry and to pay a total of \$ (based on \$800 x number of entries x # of locations) evaluation charge on or before April 1, 2026 for a four-year test (seeding and three harvest years unless the stand is winter killed or damaged to such a point that meaningful data are unattainable).

The fee can be paid with a credit card at <https://agext-northdakotastate-ndus.nbsstore.net/north-dakota-alfalfa-forages-and-cover-crops-testing-trials>

Just enter the total amount in the box and upload this form.

The Plant Sciences Department will plant, maintain, harvest, and collect data in a manner consistent with accepted alfalfa research practices. Each entrant may receive at least one hard copy of all forage yield data collected upon request at marisol.berti@ndsu.edu. Data from these tests shall not be used in advertising to indicate North Dakota Agricultural Experiment Station recommendation of any specific cultivar, and when used in advertising, should be compared with the cultivar Vernal from the same test.
